Students knowledge assessment system :

To study courses in educational programme of Georgian philology means students active performance and based on the non-finished process of assessment.

During the implementing educational programme of Georgian philology students, achievements can be evaluated according to the decision of the Ministry of Education and Science of Georgia N3, 2007 years 5th January Regarding "ECTS credit system calculation rules in HE"

In the courses of the educational programme of Georgian Philology evaluation system of students achievements consist following forms _ midterm and final exams and the sum of those is final evaluation (100 scores)

Midterm and final evaluation forms consist evaluation component(s), which is the tools for evaluating students knowledge and skills. Those tools are: writing/oral exam, writing/oral questionnaires, home works, practical/theoretical works and etc. evaluation components combine similar methods (test, essay, demonstration, presentation, discussion, working on practical/theoretical works, working in group, taking active participation in discussion, quiz and etc). assessment tools can be measured with assessment criteria, with scores which shows the level of achievement.

Each form and component of assessment has its maximum of the score from the final (100 score) score which is defined in syllabus and students will be informed from the beginning of the semester.

It is not allowed to assess the student with only one form (midterm or final) of assessment. Credit point will be gained by the students only in case of the positive mark.

The minimum score of the components of midterm and final evaluation must not exceed 60% of middle evaluations and 60% for the final exam. Head of each course will inform students about minimal competences of middle and final evaluation in concrete syllabus at the beginning of the semester.

Assessment system forms:

Five types of positive grade:

- (A) excellent – 91-100 points
- (B) very good – 81-90 points of maximum grade
- (C) good – 71-80 points of maximum grade;
- (D) satisfactory – 61-70 points of maximum grade;
- (E) acceptable – 51-60 points of maximum grade

Two types of negative grade;

(FX) fail with exam – 41-50 points of maximum grade, which means that student needs some more time before passing the exam and will be given chance to pass the additional exam once again

(F) fail – 40 points and less of maximum grade, it means that the work done by the student is not acceptable and he/she has to study the subject anew.

In case of FX grade, the additional exam may be appointed at least 5 calendar days after the announcement of the final exam results. the grade got in the additional exam cannot be added to the grade gained during the final exam. score gained in the additional exam is final score and will be inserted in the final evaluation. In case of getting 0-50 score as a final assessment after additional exam student will be assessed F – 0 score.
